

## Drunk Driving and The Victims

admin · Monday, December 10th, 2007

This is society video depicting the sudden life changing moments that occur during a drunk driving accident. Does an excellent job of showing it from the victims and drunk drivers point of view. Every 32 minutes, there is a alcohol related traffic fatality in the USA. Every 2 minutes, there is a alcohol related traffic injury. Watch this video and maybe, just maybe, you'll think twice before you take a drink and get into your car.
