

True Story?..

admin · Friday, February 8th, 2008

Everyone in there life comes to a decision to quit drinking alcohol and this was true for Carol Klein.

Dear Friends

This is a true story of Carol Klein.

Carol now lives in Chicago, USA, and is now happily married to her husband, and is a mother of two wonderful daughters and one wonderful son.

Not everything as always been this rosy for Carol. By the early age of 16 Carol had began sampling different alcoholic drinks, and in her early twenties her drinking problem had began to spiral out of control.

Carol is now 38 and a reformed alcoholic. Like lots of us, Carol tried a ton of stuff to try and help her quit her drinking problem, but she saw very little results.

What you?re about to read is the transcription from a telephone conversation I had with Carol on February 1st, 2008.
